Formal Education

- Echuca Technical College (Echuca College)** 1979 to 1981
I have a very good completion of one-third of year 9 and very good full completion of years 10 & 11 (Forms 3 – 5) at the Echuca Technical College in the following subjects:
- Maths A (Top Stream)
 - Engineering Graphics
 - Electrical and Electronic Practises
 - Physics
 - Chemistry
 - English (Top Stream)
 - Physical Education

Trade Licences & Certifications

- Electrician's Licence – A Class – VIC**
Issued: 1985 Expiry: 11/12/2022
- Qualified Supervisor Certificate (Electrician) – NSW**
Issued: 2007 Expiry: 02/10/2021
- Construction Industry OH&S Red Card (VIC, NSW & QLD)**
Issued: 21st September, 2007

Note: Others available on request.

Other Licences & Certifications

- Victorian Car/Bike Licence**
Issued: June 1983 Expires: 09/06/2022
- Forklift Driver's Licence**
Issued: 14/02/2008 Expires: 14/02/2023
- Boom Type Elevating Work Platform (EWP) Licence**
Issued: 07/04/2008 Expires: 07/04/2023
- Elevating Work Platform (EWP) Scissor Lift Trained Operator**
Issued: 25/10/2007
- Certificate II in Occupational Health And Safety Policy Procedures**
Issued: 20/02/2008

Memberships of Professional Organisations

- Engineers Australia** 2017 to Present
As a Graduate Associate Electrical Engineer – Brian Lord, Grad AIE Aust
**Certificate received and available for submission.*

Professional & Other Further Education

The following is a list of further electrical industry related education undertaken only.

- Engineering Institute of Technology, Perth, WA** 2017 to Present
Bachelor of Science (Electrical Engineering) [BEE05] – in progress (2nd Year).
Professional Certificate of Competency in Safety Instrumentation Systems for Process Industries.
– in progress (50%).
Advanced Diploma of Applied Electrical Engineering (Electrical Systems) [52726WA].
**Certificate received and available for submission as is Graduate of the Year 2018 certificate..*
- Various Webinars, Newsletters & Industry Related Seminars** Ongoing
Magazines & Newsletters from Engineers Australia, Packaging Industry Associations, etc.
Webinars such as those from Energy Safe Victoria and YouTube.
- Echuca College of TAFE, Echuca, VIC** 1983 to 1985
Industrial Electronics Certificate – Completion and good pass of the 1st year only.
- Electrical Apprenticeship, Echuca, VIC** 1982 to 1986
“A” Grade Electrical Mechanic “Special Class” – Completed at Nestlé, Tongala, VIC, factory.

Software Knowledge & Education

The following is a sprinkling of a small few of the operating systems and software packages I am familiar with that relate to the Electrical and Engineering industry.

Solidworks 2018-2019 Student Edition (with Training)	2019 to Present
MathWorks MatLab [2019] (with Training)	2017 to Present
Autodesk Autocad 360 [2018]	2017 to Present
Autodesk Autocad Electrical [2020]	2019 to Present
Gantt Project v2.8.6 – Project Planning	2017 to Present
WBS Pro - Project Management	2017 to Present
ProjRisk - Project Risk Determination Software	2017 to Present
Macintosh Office Programs & OS X Operating Systems	2007 to Present
Windows 3.1, 2000 Pro, XP Pro, v7 Pro, v10 Systems	1992 to Present
MS Office Professional v2 (1990) to v2019	1992 to Present

Note: If you have a specific package enquiry please ask. If I have no experience with your package I am very adept at learning software quickly with appropriate training.

Other Experience

Brian Lord Entertainment, Echuca Dec 1992 to Current
Proprietor / Music Teacher / Entertainer – Part Time

Personal Data

- **Year of Birth:** 1965.
- **Sex / Age:** Male / 54 Years.
- **Height & Weight:** 187 cm and 120 Kg
- **Nationality:** Australian

Hobbies & Other Interests

- **My Family** – spending quality time with them (including my grand-children) whenever possible.
- **Australian Cattle Dogs** – pedigree and purebred breeding, showing and training.
- **Music & Songwriting** – teaching guitar & singing, performing, song writing and recording.
- **AFL (Geelong Cats), Baseball, Boxing & Golf** – watching and playing.
